## Information Sheet

Dear Sirs,

Thank you for purchasing this Hokuyo URG04-LX-UG01 product.

Please read the documents enclosed on this CD before use. You can then visit the following website <http://www.hokuyo-aut.jp/products/urg/urg.htm> where there may be other items of interest for download. E.g. firmware upgrades, programming guide updates etc.

You will be asked to enter your ID and Password – these are 505070 & urgIxIn respectively

We trust you will be satisfied with this unique laser scanner. Please feel free to contact us in case of query.

Yours sincerely

Sentek Solutions.
